Attendance Matters

An amazing start to the school year in terms of attendance. Overall, we achieved just **over 94%** for Autumn 1 (this was only 91% last year) so well done and thank you to everyone for your support. All the evidence shows that there is a direct link between academic outcomes and attendance levels . . . . it also has a huge impact on children's wellbeing.

Message from the Head Teacher

The new attendance raffle is up and running this week, there are more details on Class Dojo. The more tickets you get in the draw, the more chance you have of winning one of the prizes.

Class Dojo relaunch

As part of our school values relaunch we have also updated Class Dojo. All rewards are now linked to one of our school values and there is a huge list of prizes that children can exchange their Dojo points for.

Love of reading

New Library Area

Over the summer the team have worked hard to revamp areas of the school. As part of this we have created a new library area outside the KS1 / KS2 classrooms which has areas for the children to work in small groups and some seating areas to just pick a new book and enjoy a good read.
